

**UNIVERSITY OF CALIFORNIA, SAN FRANCISCO**  
**DEPARTMENT OF DERMATOLOGY GRAND ROUNDS**

*Your doctor has invited you to participate in the UCSF Department of Dermatology “Grand Rounds.” This a weekly patient care and education conference attended by University and community physicians and trainees. Patients with disorders that are rare, difficult to treat, or challenging to diagnose are discussed. You may benefit from participating in this conference, as many dermatologists will be carefully considering your case. You may learn about new approaches to diagnosis and treatment of your condition. Since you will also be assisting in the teaching mission of the University, there will be no charge to you for this visit.*

**PATIENT ARRIVAL**

Please arrive at 7:30 AM on Wednesday, \_\_\_\_\_ to the UCSF Mt. Zion Dermatology clinic, located on the **3<sup>rd</sup> floor of 1701 Divisadero St. (cross street Sutter)**. Upon checking in, you will be taken to a private exam room. A written summary of your case, without your personal identification, will be posted next to your room. If you give us permission, we may photograph your skin for teaching purposes only. (Personal identifying features are excluded. If you do not wish to have photos taken, please do not sign the photo consent form.)

**PATIENT EXAMINATION**

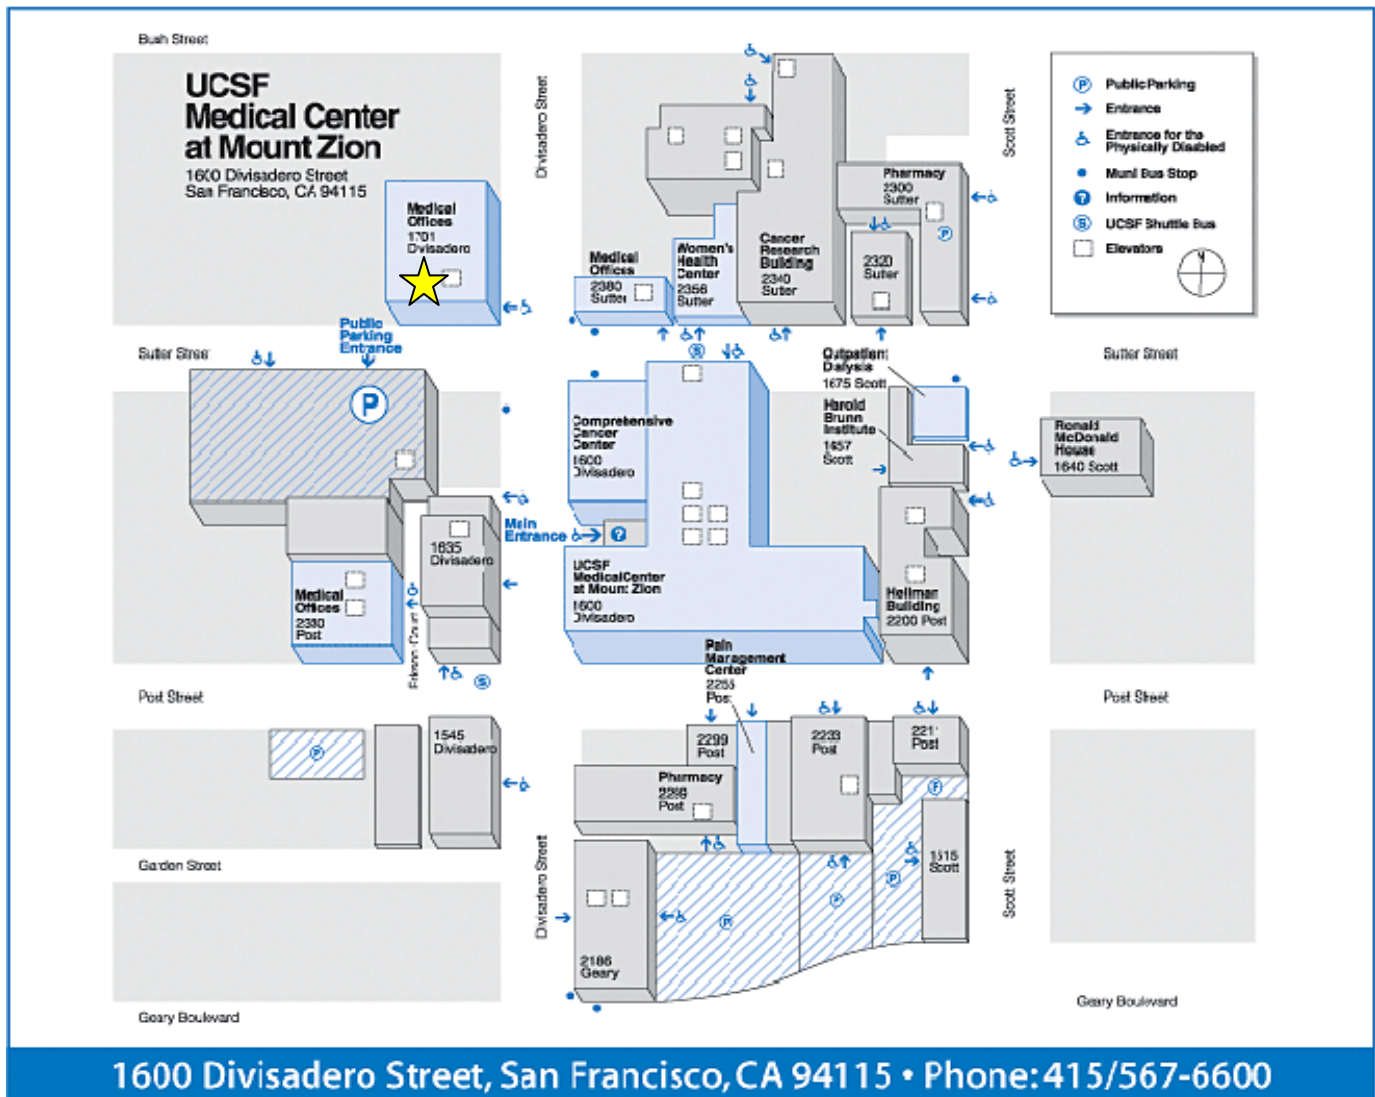

Starting at 8:00am, you will be examined and briefly questioned by dermatologists and trainees (30-50 medical personnel.) You will be free to leave at the examination’s completion, usually by 8:30AM. Sometimes, your dermatologist may ask you to wait until 10:30am for immediate treatment after the physician’s conference.

**PHYSICIAN CONFERENCE**

The Physician Conference begins at 9:30am. Your history and biopsy results (if applicable) are discussed in detail. The goal is to summarize new ideas to aid in your diagnosis and care and to teach the trainees.

**PATIENT FOLLOW-UP**

Your dermatologist will contact you shortly after Grand Rounds by phone or e-mail with a summary of the discussion and recommendations from the Physician Conference. *We hope that this will be an interesting, valuable, and beneficial experience for all participants. If you have any questions, please call the Dermatology clinic at (415) 353-7800.*
